Nigel Foster's Sea Kayak Training Series	Quantity	Retail Price (each)	Total
Vol. 1 - Getting Started <i>"Getting Started" covers fundamentals of interest to every sea kayaker as it kicks off this extraordinary collection.</i>		\$29.95	
Vol. 2 - Essential Strokes <i>"Essential Strokes" distills the essentials you need to get afloat with control and confidence.</i>		\$29.95	
Vol. 3 - Directional Control <i>This crucial volume will help you understand how to control your kayak across the wind, into the wind and away from the wind with the minimum of effort.</i>		\$29.95	
Vol. 4 - Rescues <i>"Rescues" offers technical and mental strategies with which to approach a capsized kayaker, drain their kayak and help them back into their kayak.</i>		\$29.95	
Vol. 5 - Forward Paddling <i>Keep up with your paddling friends with the minimum of effort.</i>		\$29.95	
Vol. 6 - Rolling and Bracing <i>Watch from under the water to see the often hidden part of the set-up and follow the different types of roll that offer something for everyone.</i>		\$29.95	
Vol. 7 - Surf Basics (Available Spring 2003) <i>This volume covers the techniques needed to ride the waves and the skills needed to set off and land through the surf zone.</i>		\$29.95	
Vol. 8 - Surf Advanced (Available Spring 2003) <i>Learn how to blend cut-backs and roller-coasters, zigzags and shoulder runs to express your own surf-riding personality.</i>		\$29.95	
Vol. 9 - Trip Planning and Practical Navigation <i>Learn how to translate the information shown on the chart to the landscape you see in front of you and anticipate the effects of wind and tide. (Available Spring 2003)</i>		\$29.95	
Vol. 10 - Touring & Camping (Spring 2003) <i>Touring is the climax of all the skills you'll learn in this series, pulling together trip planning, launching through a surf zone and practical navigation on the water.</i>		\$29.95
